This Teams invitation provides a link to attend the January 12-13 meeting in Chicago via video conference (Teams) and also provides in-person attendees with building access information.

Once you are through building security please proceed to the 19th floor. Once on the 19th floor, please proceed to the Regional Administrator reception area (turn left out of the elevator bank). We will be meeting in the "RA's Large Conference Room".

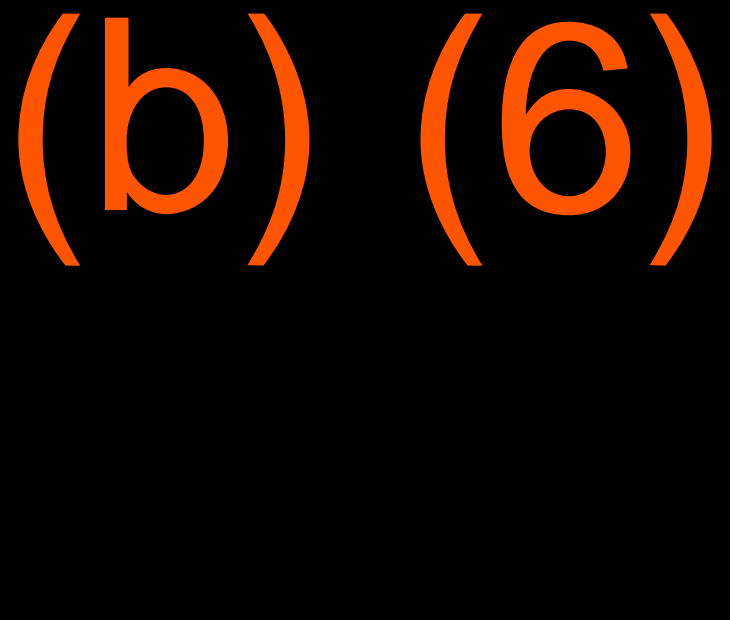

General information about visiting Region 5 offices: <https://www.epa.gov/aboutepa/visiting-epas-region-5-office-chicago>

COVID-19 information: <https://www.epa.gov/aboutepa/covid-19-safe-federal-workplace>. Please note that In order to maintain a safe workplace environment, employees and visitors must perform the self-assessment at this link prior to entering an EPA facility. The City of Chicago is located in Cook County. The community level in Cook County is currently "Medium", but that may change. You can look for changes at this link: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>. When community level is "Medium", masks are optional in EPA facilities.

Due to the rapid spread of new omicron subvariant "XBB.1.5", the fact that I am unable to get the most recent booster and the fact that I am helping to care for an immunocompromised individual, I am asking everyone attending this meeting in person to voluntarily wear a mask. This does not mean masking is mandatory. I appreciated everyone's consideration of this request.
